

Carolina Cracker™

Simply Made, Built to Last a Lifetime

INSTRUCTIONS:

1. Insert nut into jaws as shown in Figure A.
2. Press handle down until shell is cracked. See Figure B.
3. Rotate and crack. Insert opposite end and repeat.
4. No adjustment needed for different size nuts.

NOTICE: Spring snaps back into place if knocked out.

FIGURE A

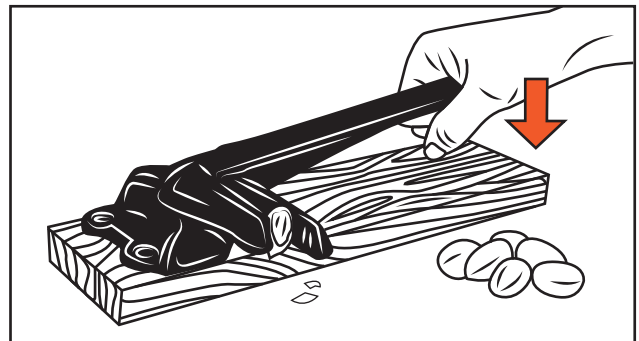

FIGURE B

Carolina Cracker's sturdy design of cast iron and solid stained wood base is made to last a lifetime. With this nutcracker you can quickly crack nut shells while leaving the nut intact.

NOTICE: Not recommended for black walnuts or hickory nuts.
