

IMPORTANT RECALL NOTICE

Wet & Forget is recalling Wet & Forget Outdoor Rapid Application Moss, Mold, Mildew & Algae Stain Remover with hose end nozzles, sold in 48- and 68-ounce spray bottles. Wet & Forget has determined that the hose end nozzle can dislodge from the sprayer while the bottle is connected to a water supply and the supply is turned on. Exposure to the stain removing solution can cause skin or eye irritation.

If you have this stain remover, please immediately **stop using** it until the nozzle has been replaced. To register for a free replacement nozzle or get more information:
