

STORE SMART

Battery Organizer Storage Case

The Battery Tester

- Before storing batteries, check to make sure that the battery has power remaining inside, using the battery tester to determine.
- To remove tester from organizer pull up.
- Extend (red) slide to fit the size of the battery being tested.
- Insert battery between (red) slide and (black) apparatus, and read the result directly on top to the left.

The Battery Organizer

- Place batteries into the appropriate slots with the positive side facing cover.
- To accommodate additional storage both sides of the organizer open with over 180 assorted inserts and slots.

Warranty

1 Year Limited Warranty from the date of purchase.
