### OPERATION & CARE:

The Weed Thief is designed to be used as a wiper type applicator. Simply remove the fill cap and fill with 8oz. of herbicide solution. Then just wipe those unwanted weeds with the wick.

### HERBICIDES:

Your Weed Thief is labeled for use with Round Up®. As a row crop wiper a 33% solution should be used. As a yard wiper a 20 to 1 solution should be used.

Other chemicals may be used. Always follow the instructions or label of the chemicals for wiping. For further information, contact your local distributor or Green Leaf, Inc®.

### WHEN NOT TO APPLY:

Avoid wiping weeds that are dusty or wet from dew or rain. If rainfall occurs within six hours after treatment, retreatment may be necessary.

### CLEANING:

After use (1) clean wick with a garden hose stream of water, (2) fill tube with clean water and let drain, (3) store in a dry place.
