
Assembly Instructions

Parts Identification

table	faucet	plastic nut	hose connection	long screw
1PC	1PC	1PC	1PC	1PC
metal drain	rubber washer	plastic hose connection	plastic hose	
1PC	3PCS	1PC	1PC	
bottom drain connection				
1PC				

Note: When assembling at least two adults are recommended.

Table Assembly: Remove sink from box and position on the ground as illustrated below in figure 1

Unfold each leg and lock into place as shown in figure 2

Note: Make sure legs are completely locked in position before use to prevent injury. A mallet may be used to lock the legs into place.
